

Dear Faculty, IGERT Fellows, IGERT Associates and Students,

You are cordially invited to attend a Seminar presented by Belinda Tran Le.
Please plan to attend.

Belinda Tran Le

IGERT Fellow

Date: Friday, October 9th, 2015

Location: Chung 218 (VISLAB)

Time: 11:00am

Rethinking Differentiation: Stem Cells, Regeneration, and Plasticity

Abstract:

This presentation will be an introduction to cell differentiation and stem cells. I will be discussing how cell differentiation is essential for development, growth, reproduction, and longevity for all organism. Cell differentiation and its regulation has been greatly researched and new studies have caused a re-examination of the old studies.
